

FROM ACCENT TO EXCELLENCE

# Executive Speech Coaching

*Personalized Coaching For Non-Native Speaking Leaders*

## COACHING OVERVIEW

I provide personalized coaching for professionals, business leaders and company executives who are non-native speakers. Based on your business needs, personality, and level of communication skills, we coach you to develop and deliver top-notch keynotes and business presentations. The focus of the coaching:

- \* Create relevant and current message for your audience
- \* Build rapport with your audiences
- \* Deliver a speech without memorizing your scripts
- \* Reduce your accent with simple and practical tips
- \* Develop storytelling and humorous skills
- \* Deal with nerves, questions, and challenging audiences

## PROGRAM BENEFITS

- \* Boost your confidence in public speaking
- \* Turn your accent into an asset
- \* Learn the magic of humor and storytelling
- \* Understand the "Dos and Don'ts" of PowerPoint
- \* Help you get recognized and promoted

## COACHING APPROACH

- \* Assessment to determine your competence and needs
- \* Personalized one-on-one coaching (in person or via on-line video chat)
- \* Evaluation of content and delivery
