

Speech Fun

A Public Speaking Workshop for Children (K- 5)

Parents Testimonials:

"My daughter Lindsey attended the Speech Fun classes for two semesters now. This summer, she competed first time at CIE-DFW Youth English Speech Contest, she won 2nd place! We truly appreciated Ms. Bai's teaching and love for the children! I recommend this class to the kids who want to improve their speaking and presentation skills."

- Lina

"I'd like to thank you again for your wonderful teaching! I'm so proud of their achievements today! And I know that they can't get here today without you. So thank you with all my heart! "

- Yanhong

"We were amazed to see how Jimmy's natural talent of his theatrical speech and debate was discovered and developed during Lia's speech class."

- Wenqi

It's never too early to encourage children to stand up in front of people and speak. Building strong communication skills raises children's confidence and enhances their chance to succeed at school and in life.

At Speech Fun, our **Encouraging**, **Entertaining** and **Personalized** approach builds children's confidence in public speaking. We offer small group coaching for children who are "shy" or "talkative". Most recently, Lindsey, Alice, and Kaylani won 2nd, 3rd, and honorable mention, respectively, in the 3rd grade group at 2017 DFW Youth English Speech Contest. In fact, Speech Fun kids bring home trophies from various speech contests every year. Speech Fun has found the magic to start children on their ways to become effective speakers!

Speech Fun offers year-long programs. **Sign up your child today online www.speechfunforkids.org**

About Lia Bai, Founder of Speech Fun

Lia is a communication expert, speaker, and coach. She helps non-native English speaking professionals, leaders, and executives improve their communication skills. She also devotes her time to help children, tomorrow's leaders, find their voice. Lia has been teaching children public speaking in North Texas since 2010. She is known for her creative, fun, and practical ideas for letting children be children while learning.
